## **HEALTH FEE**

The Health Services Office provides services to all enrolled students who have paid the Health Fee or have received a financially determined waiver for the Health Fee. Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the payment of the Health Fee.

The mandatory health fee provides accident insurance for the protection of any student who may experience an injury while participating in a college sponsored credit or non-credit class, or other activity. The sponsored class or activity must be during a directly supervised, on-campus or school-related activity. The supervision of the sponsored class or activity must be by a member of the college staff at a college approved co-curricular activity or event. Insurance deductibles range from \$50 to \$100. Student Insurance is secondary to any group, blanket franchise, group practice, individual practice or other prepayment coverage; the claim must be filed with primary insurance first. Health Services information, accident/illness report forms and insurance claim forms and referrals for care can be obtained in Health Service, Building 60 – Room 130 (Inside Griffin Center) or by calling 619 644-7192 or the Health Services website www.grossmont.edu/health-services/.

**Note:** Students whom depend exclusively upon prayer for healing according to the teaching of a bona fide religious sect, denomination or organization may petition for an exemption from the health fee by submitting a written request to the Office of Student Affairs. Waiver forms may be obtained in Admissions and Records, Student Affairs Office and Student Health Services. Requests for exemptions will be reviewed by the Dean of Admissions and Records and the Associate Dean of Student Affairs.

# College Procedures

You are responsible for all appropriate fees. You may be dropped from courses for nonpayment of fees.

#### FEE WAIVERS AND FEE EXEMPTIONS

The Board Financial Assistance Program provides Board of Governors waivers to help *low income and special classifications* students with the enrollment fee. (Other fees may be waived or reduced depending on the type of waiver for which you are eligible.) This aid does not have to be repaid. For eligibility requirements and online application go to <u>www.grossmont.edu/fa/feewaivers</u> or visit the Financial Aid Office.

If you are eligible for a fee waiver, you must submit your BOGW application and be approved by the Financial Aid Office prior to registering for classes or risk being dropped for non-payment.

#### **STUDENT REPRESENTATION FEE**

A \$1 fee per semester is collected to provide funds for the support of governmental affairs representatives who state their positions and viewpoints on behalf of Grossmont College students before city, county and district governments, and before offices and agencies of the state government.

#### **STUDENT REPRESENTATION FEE WAIVER**

A student may, for religious, political, financial or moral reasons, choose not to pay the Student Representation Fee by directly contacting the Student Affairs Office in Room 60-204 or (619) 644-7600. The Student Representation Fee Waiver form is available in the Student Affairs Office. The fee waiver request form must be obtained and submitted within the first three weeks of each summer session. See web site for more information <u>www.grossmont.edu/student-affairs</u>.

#### **REFUND INFORMATION**

Refunds are made according to the refund schedules below and are available from the College Cashier's Office. Please bring a valid government picture ID. Refunds can be made immediately when fees have been paid by cash. Refunds from credit card payments will be credited back to the credit card account, by contacting the College Cashier's Office at (619) 644-7660 to initiate a credit card refund by phone. After the fourth week begins of the main fall session, anyone with a credit balance on their fall account will be issued a refund which will be credited back to the credit card account or if paid by cash or check, a check will be mailed to the student. **Refunds are only payable to the student and will not be given to any other individual.** 

## **REFUND SCHEDULES**

#### **Enrollment, Tuition, Health, and Class Fee Refunds**

• For 4, 6 and 8 week summer class refund schedules see inside front cover.

Other Short-Term Courses

See page 4 for the refund deadline date for your class.

Students who add a class after the refund deadline are not eligible for a refund for that class.

#### **Parking Permit and Student Benefit Card Refunds**

The refund deadline dates for Parking Permit and Student Benefit Card are consistent with the refund deadline for your class/es. **Note**: You must physically present your parking permit and/or benefit card to the College Cashier's Office by the last day of the refund deadline. Student Benefit Card refunds are available only if the card has not been used.

Refunds for the Summer 2016 sessions can be obtained through the College Cashier's Office. Refunds are only payable to the student and will not be given to any other individual.

## **STUDENT LOAD**

The maximum number of units in which you may enroll is 8. Overloads must be approved by a counselor. Overload requests can be made beginning the first day of classes and require a valid add code. Requests for excessive overloads will require an appointment with the Dean of Counseling. A copy of all college transcripts will be reviewed prior to the appointment.

# IMPORTANT COURSE REPETITION CHANGES

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that will take effect during the 2012 summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, NP or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class within the Grossmont-Cuyamaca Community College District.

#### GRADES

When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course, and the determination of the student's grade by the instructor in the absence of mistakes, fraud, bad faith or incompetency, shall be final. (Section 76224a California Education Code.)

Grades will be available through **WebAdvisor** at <u>www.grossmont.edu</u>.

#### **CLASS ATTENDANCE**

It is important to attend the first meeting of all classes. If students are unable to do so, the instructor should be notified. Failure to attend the first class may result in the student being dropped from the class.

Regular attendance is expected of every student. A student may be dropped from class due to poor attendance when, in the judgement of the instructor, the student cannot benefit from further instruction. The student who has been absent due to illness or medical treatment should inform the instructor as to the cause of absence.

# **HOW DO I CHANGE MY CLASSES**

Adds and drops can be processed through **WebAdvisor** (<u>www.grossmont.edu</u>) during the following hours *AFTER* your assigned registration time.

Monday - Saturday 7:00 a.m. - 10:00 p.m.

Not available on holidays—see Summer 2016 calendar—inside front cover.

## STEPS TO ADD CLASS(ES):

- If the class is open, you may add through **WebAdvisor** up to the first day the class meets.

#### **STEPS TO DROP CLASS(ES)**

Classes can be dropped through **WebAdvisor** (www.grossmont.edu) prior to the drop deadline for your class.

# CHANGES AFTER CLASSES BEGIN

# THE "ADD CODE/AUTHORIZATION CODE" PROCESS

You may add open classes the first week of school by obtaining an Add Code/Authorization Code from the instructor. With this Add Code/Authorization Code you may register using **WebAdvisor** www.grossmont.edu.

The last day to use the ADD CODE/AUTHORIZA-TION CODE will vary by class. You must add the class by the "USE BY" date printed on the ADD CODE/AUTHORIZATION CODE label. Once the ADD CODE/AUTHORIZATION CODE has expired, you must get the instructor's signature on an Add/Drop card.

The ADD CODE/AUTHORIZATION CODE is for your use only. If you share this code with someone who uses it first, you will not be permitted to enroll in the class unless the instructor assigns another ADD CODE/AUTHORIZATION CODE to you.

This code will not override course prerequisites! You will not be permitted to add the class until course prerequisites are cleared at the Counseling Center.

You will need to provide the ADD CODE/AUTHORIZA-TION CODE when you use **WebAdvisor**. Once the ADD CODE/AUTHORIZATION CODE is entered, the class should be added.

# Payment for added classes is expected at time of registration.

A Class and Fee Statement will NOT be mailed. You may print a list of your classes on **WebAdvisor** (use the "View/Print Schedule" link).

# **TO DROP A CLASS**

You may drop a class using **WebAdvisor**.

You must complete the drop before the drop deadline for the class. To be eligible for a **refund**, you must drop the class before the refund deadline.

A refund check will be mailed to you or you may contact the College Cashier's Office. Refunds do **not** carry over to future semesters.

# WHAT IS THE STUDENT SUCCESS AND SUPPORT PROGRAM? "OUR GOAL ... YOUR SUCCESS"

Student Success and Support Program is the process that brings Grossmont College and a student who enrolls for credit into an agreement for the purpose of realizing the student's educational objectives through the college's established programs, policies, and requirements. It involves our giving you the KEYS TO SUCCEED IN COLLEGE.

General Education course choices for transfer and the associate degree may differ between Cuyamaca and Grossmont College. Each college strongly recommends that students visit the Counseling Centers for specific information if they plan to attend both campuses.

# **NEW STUDENTS**

Welcome! Grossmont College is a great place to help you meet your educational goals.

Your next step after submitting an <u>online application</u> is to complete the *Student Success and Support Program*. To access the *Student Success and Support Program* component, log into Web Advisor and click on the Students menu and:

- 1. Complete Online Orientation, then
- 2. Make an <u>appointment</u> for English/math assessment session. These sessions are by appointment only. Appointment information is posted on the Assessment website. Click on English/math assessment.
- Complete <u>Online Advising</u>. You will receive your assessment results with an explanation and you will be presented with your <u>first semester plan</u>.

**Optional** on-campus assistance workshops will be available. These workshops are available by appointment only. Workshop appointment information is posted on the Counseling Center website. You are required to bring your <u>first semester plan</u> from the Online Advising with you to the workshop to gain entry.

**Individual counseling appointments** are available once the semester begins.

# ADDITIONAL ASSESSMENT INFORMATION

## ENGLISH/READING

The multiple-choice assessment test allows students to demonstrate current skills and knowledge of use of standard written English, while the reading portion assesses skill levels in retention and comprehension. With your assessment results, you receive an initial recommendation on which English/Reading course would be of greatest value in building your skills. In addition, an *England* booklet allows students to further assess their language skills, in conjunction with the test scores.

## MATH

The math assessment consists of multiple-choice questions that evaluate a student's previous math background and current skill level. Students will not be allowed to bring a calculator to the test, but a four function calculator will be provided on some questions. It is important that students prepare/study for the placement test. It will determine which class (level) that the student will be allowed to enroll in. There is information on this placement test at:

http://www.grossmont.edu/academics/programsdepartments/math/placement-steps.aspx

When the test is complete, the student will be given a print-out of their results as well as the math classes in which he/she can enroll. There are different "math paths" that a student can take (STEM vs non-STEM majors) so it is important that the student check with a counselor prior to registering for classes.

## **ENGLISH AS A SECOND LANGUAGE (ESL)**

If English is not your first language, it is important that you take the ESL assessment. If your ESL assessment shows that you do not need ESL classes, you will be referred to English classes for native speakers of English.

The ESL assessment is given to help students decide which ESL courses will be most helpful for them. Part of the assessment is on reading and grammar skills. Students must also write a short composition. After they take the assessment, it is very important for ESL students to attend ESL orientation/advisement/class selection session where they can discuss with an ESL instructor/ advisor which classes are recommended for their English level.

## **CHEMISTRY 141 ASSESSMENT**

Note: Clearance for Chemistry 141 can be accomplished by doing any of the following:

- Completing the required prerequisite course (Chem 120 with a "C" or better) at Grossmont College.
- Completing Grossmont College chemistry assessment available, by appointment, through the Assessment Office.
- Completing, with a "C" or better, an equivalent prerequisite course at another institution; **MUST** also make an appointment with the Department Chair, Diana Vance at <u>diana.vance@gcccd.edu</u> or Cary Willard at <u>cary.willard@gcccd.edu</u>.

# QUESTIONS

If you have general questions regarding your assessment results, please call the Assessment Office at (619) 644-7200, located in Room 10-170. Remember: a two business day turn-around time is needed for assessment results to be available. **No results or recommendations will be given over the phone.** You can access your assessment results by logging into WebAdvisor at www.grossmont.edu.

# **CONTINUING STUDENTS**

# ADULT REENTRY STUDENTS

The Adult Reentry Center provides adults the opportunity to experience a higher degree of personal, vocational and academic self-fulfillment within the supportive environment of Grossmont College. The reentry person is one who has been away from the formal educational setting for a period of time.

The Fall Adult Reentry Orientation is scheduled on Tuesday, August 2, 2016, from 9:30 a.m.-12:30 p.m. in the Griffin Gate.

It is extremely important to clear your prerequisites from coursework taken at colleges outside the Grossmont-Cuyamaca Community College District before your registration date! Please check to see if your class has a prerequisite. Prerequisites must be cleared prior to enrollment. Plan ahead and take care of this as early as possible to avoid waiting in long lines and possible delays to your enrollment in important classes.

# Prerequisites <u>ARE NOT</u> cleared automatically. Requests to clear any prerequisite <u>MUST be initiated by the student.</u>

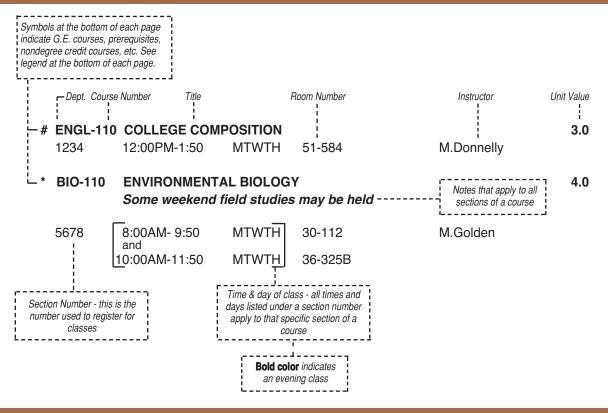

Please visit the prerequisite clearance website at <u>www.grossmont.edu/assessment/prerequisite</u> and navigate to the appropriate department(s) for instructions on how to clear a specific course prerequisite. Required prerequisites are posted in the college catalog and available online.

# EXERCISE SCIENCE

The activity and intercollegiate sports classes which are indicated by a number ONLY (ES 001) may be repeated THREE times. An activity class indicated by a number AND a letter (ES 076A) may be repeated ONCE, provided that the TOTAL enrollments in that type of activity (e.g. tennis) not exceed FOUR. Students must progress from beginning through intermediate and advanced levels in these courses.

Towels will NOT be supplied by the college. If students wish to shower on campus, they must provide their own towels. There will be NO TOWEL EXCHANGE AVAILABLE.

LOCKERS ARE TO BE USED DURING CLASS TIME ONLY. There are NO lockers available for students to use long-term. Any lock found on a locker longer than one day will be cut off and the contents of the locker removed. Students enrolling in exercise science classes and using campus lockers must use combination locks only. This policy is in accordance with security and Fire Marshall regulation.

Heavy duty locks (available in Bookstore) are highly recommended.

ALL STUDENTS WHO HAVE NOT HAD THEIR SKILLS ASSESSED OR HAVE NOT TAKEN A COLLEGE MATH COURSE ARE REQUIRED TO GO THROUGH THE ASSESSMENT PROCESS LISTED IN "FIND IT FAST" IN THE **PRINTED SCHEDULE. FOR MATH DEPARTMENT INFORMATION, VISIT OUR WEB SITE AT:** WWW.GROSSMONT.EDU/MATH/

A graphing calculator helps students to successfully complete math courses. The Math Department has agreed to use the TI-83 or TI-84 graphing calculator in math classes. Therefore, the TI-83 or TI-84 is highly recommended for use in Math 110 and higher.

#### **AUDITING PROCEDURES**

Audit enrollment will not be permitted until students have completed the allowable number of repeats in practice or performance courses. Priority class enrollments are given to students desiring to take the course for credit. No student will be permitted to enroll for audit purposes until Monday of the second week of instruction.

Audit enrollment will be based on "seats available" and will not be used to count toward minimum enrollment requirements. If a class closes after an auditor has been admitted, the auditor may be asked to leave to make room for the credit students. Instructor discretion is strongly recommended.

Permission to audit a class is done at the discretion of the instructor and with the instructor's signed permission. Appropriate forms and procedures are available in the Admissions and Records Office.

No credit will be received for auditing a course. The college will not maintain any attendance or academic records for a student that audits a course.

## LOWER DIVISION COURSE EQUIVALENCIES for UC, CSU and Independent/Private Universities and Colleges

Students who are interested in satisfying certain lower division course requirements in the major or in general education can complete equivalent courses at Grossmont College. In addition to articulated equivalent courses, it is important to know that the vast majority of courses completed at Grossmont College transfer as fulfilling exact requirements for majors or as elective units. To determine if courses are equivalent or if they have transfer designation, visit the Grossmont College Articulation web site: <u>www.grossmont.edu/articulation</u>.

All official articulation for the CSU (California State University) and UC (University of California) systems is available at <u>www.assist.org</u>. This site is readily available via the Grossmont College Articulation Web Site.

It is important to use these tools along with the assistance from counselors at Grossmont College.

People of diverse backgrounds, perspectives, socioeconomic levels, cultures, and abilities are valued, welcomed, and included in all aspects of our organization. The District strives to provide an educational environment that fosters cultural awareness, mutual understanding, and respect that ultimately also benefits the global community.

## **PROHIBITION OF HARASSMENT**

(Administrative Procedures 3430)

The Grossmont-Cuyamaca Community College District (District) is committed to providing an academic and work environment free from harassment. This procedure defines sexual harassment and other forms of harassment on District property, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student within the District.

This procedure protects students, employees, unpaid interns and volunteers in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus or van, or at a class or training program sponsored by the District at another location. The procedure below is based, but may not be limited on the following definitions:

## **Definitions**

**General Harassment:** Harassment based on ethnic group identification, race, color, national origin, religion, sex or gender, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, military or veteran status, age, or

sexual orientation of any person, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, in aggregate, the incidents are sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource. Genderbased harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

- Verbal: Inappropriate or offensive remarks, slurs, jokes, or innuendoes based on a person's race, gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats, or intimidation; or sexist, patronizing, or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation, or other protected status.
- **Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling, or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation, or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.
- **Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.
- **Environmental:** A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation, or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually

suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders, or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his or her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

**Sexual Harassment:** In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

- submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress;
- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
- the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or
- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

- "Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
- "Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

## **Consensual Relationships**

District employees are strongly discouraged from entering into or maintaining any romantic or sexual relationship with any student or employee over whom they exercise any academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence.

There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty, or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

## **Academic Freedom**

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws. The Governing Board reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination or harassment. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom insures the faculty's right to teach and the student's right to learn.

#### Procedure Regarding Complaints of Harassment

Any person who believes that they are being harassed based on an actual or perceived protected characteristic such as ethnic group identification, national origin, religion, age, sex or gender, race, color, ancestry, sexual orientation, marital status, veteran status, or physical or mental disability, may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant's ability, the names of the individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation.

The District may return without action any complaints that are inadequate because they do not state a clear allegation of harassment or violation of the antiharassment policies.

The District shall investigate all complaints of harassment. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of the filing of the complaint. The equal employment opportunity officer will forward copies of all written complaints to the State Chancellor's Office.

## **Employment**

Complaints involving harassment in the course of employment or attempting to secure employment must be filed as soon as possible after the occurrence of an alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify a compelling reason for the District to waive the sixty (60) day limitation.

If an employee or applicant for employment feels they have been harassed and would like to file a complaint, complaint procedures can be found on the District's Equal Employment Opportunity web site, or by contacting the office of the Vice Chancellor for Human Resources and Labor Relations.

#### **Students and Visitors**

Complaints alleging violations that do not involve hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing.

Information on college complaint procedures can be located in the Student Grievance Manual or by contacting the Office of Student Affairs at either college.

## **STUDENT CODE OF CONDUCT**

The Associate Dean of Student Affairs in conjunction with the Vice President of Student Services administers the District's Student Discipline Procedures. The procedures ensure a safe environment for members of the campus community, for their academic studies, and for work.

Students are subject to the policies and procedures of the Grossmont-Cuyamaca Community College District, as well as all federal, state, and local laws. ## **ETHICAL PRINCIPLES**

Grossmont College is an academic institution dedicated to the pursuit of learning and the promotion of student success. In the quest for excellence, our entire college community shares the ethical values of integrity, honesty, transparency, civility, and respect. Students, faculty, staff, and administrators are guided by the ethical standards and principles established by the Grossmont College Student Code of Conduct and by comparable codes from professional associations and organizations. These values include personal and collective accountability and a high regard for others, the institution, and its mission.

## **ACCESS TO EDUCATIONAL PROGRAMS**

It is the policy of the Grossmont-Cuyamaca Community College District Governing Board, that unless specifically exempted by statute regulation, every course, course section or class for which the average daily attendance is to be reported for state aid, shall be open to enrollment and participation by any person who has been admitted to the college and who meets the bona fide academic prerequisites of such course as may be established pursuant to law, and such exceptions as permitted by law as stated in Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

# DISCLAIMER: CHANGES TO THE CLASS SCHEDULE

The Grossmont-Cuyamaca Community College District and both colleges have made every reasonable effort to determine that everything stated in this schedule is accurate. Courses offered, together with other matters contained herein, are subject to change without notice and at the discretion of the administration of the Grossmont-Cuyamaca Community College District for matters related to student enrollment, level of financial support, or for any other reason. The District further reserves the right to add, amend or repeal any of their rules, regulations, policies and procedures.

## DISABLED STUDENTS: ACADEMIC ACCOMMODATIONS AND APPEALS

Grossmont College recognizes that a disability may preclude a student from demonstrating required math, reading, and writing competencies or from completing course requirements necessary for an A.A. or A.S. degree in the same manner that students without disabilities are expected to. The college also recognizes the need to accommodate students with documented disabilities to the greatest extent possible without compromising a disabled student's course of study and without compromising the integrity of any student's degree. Contact the Disabled Students Programs and Services Office (Room 60-120) for further information.

## **SMOKE FREE CAMPUS**

Smoking and/or other tobacco use is prohibited on all property owned or controlled by the District. Any District public safety officer may warn or cite any person who is in violation of this policy.

In accordance with AP 3560 "Smoking" means engaging in an act that generates smoke or vapor, such as possessing a lighted pipe; a lighted hookah pipe, operating an electronic cigarette or other electronic nicotine delivery system; a lighted cigar; a lighted cigarette of any kind; or lighting or igniting a pipe, a hookah pipe, a cigar, or a cigarette of any kind.

#### **STUDENT DUE PROCESS**

It is the stated educational philosophy of the Grossmont-Cuyamaca Community College District Governing Board that GCCCD accepts and is committed to the following premise: "The college recognizes the worth of the individual and that individual needs, interests, and capacities vary greatly." With acceptance of this principle comes the recognition that divergent viewpoints exist which may not be reconciled; therefore, the Student Rights and Due Process Committee has been established to assist students to understand their rights and due process, to objectively analyze the facts and to suggest positive alternatives. It is also through the Student Rights and Due Process that students may seek redress of complaints or grievances that result in injury to the student or which adversely affect the student's status, rights or privileges as a student.

The initial step is the informal phase, which is a good faith effort to settle a dispute before filing a formal grievance. Informal discussion between the persons directly involved in a grievance is essential in the early stages of the dispute and will be encouraged at all times. Even after filing, efforts to resolve the dispute by informal means will continue.

For additional information or a copy of the Student Rights and Due Process procedures, please contact the Associate Dean of Student Affairs, in Room 60-204 or (619) 644-7600.

## **STUDENT GRADE RESPONSIBILITY**

You are held responsible for all classes for which you register. This includes attending all class sessions, being prompt in your attendance, and meeting instructor course requirements. If, for some reason, you decide to withdraw from a class(es), **it is your responsibility to properly withdraw.** This means using **WebAdvisor** or coming to campus and picking up a Drop Card from the Admissions and Records Office, accurately and thoroughly completing the card, and filing it with the Admissions and Records

Office. The official date of withdrawal is the date which the withdrawal form is filed with the Admissions and Records Office. If this is not done, students may receive a grade of "F" and all fees apply.

## **PREREQUISITE ALERT**

#### www.grossmont.edu/assessment/prerequisite

A **prerequisite** is a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program.

A **corequisite** is a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

An **advisory on a recommended preparation** is a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

All courses shall be open for enrollment to any student who has been admitted to the college, except that students may be required to meet necessary and valid prerequisites. In addition, the District may also limit enrollment in a course based on health and safety considerations, facility limitations, or legal requirements imposed by statute or regulations.

A student who does not meet a prerequisite or corequisite or who is not permitted to enroll due to a limitation on enrollment but who provides satisfactory evidence may seek entry into the course as follows:

1. If space is available in a course when a student files a challenge to the prerequisite, corequisite, or advisory on recommended preparation, the college shall reserve a seat for the student and resolve the challenge within five (5) working days. If the challenge is upheld or the college fails to resolve the challenge within the five (5) working day period, the student shall be allowed to enroll in the course.

If no space is available in the course when the challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

- 2. Grounds for challenge are:
  - a. The prerequisite or corequisite has not been established in accordance with the college's process for establishing prerequisites and corequisites;
  - b. The prerequisite or corequisite is in violation of Title 5 regulations (Section 55201);
  - c. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
  - d. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite;
  - e. The student will be subject to undue delay in attaining the goal of his or her Student Educational Plan because the prerequisite or corequisite course has not been made reasonably available. If other courses are available which meet the same requirement, the student is not being delayed. There is no obligation to honor the student's preference.
  - f. The student has not been allowed to enroll in a course due to a limitation on enrollment established for (a) a course that involves intercollegiate

competition or public performance, or (b) a course limited to a cohort of students. The student shall be allowed to enroll if otherwise he or she would be delayed by a semester in attaining the degree or certificate specified in his or her Student Educational Plan.

- g. The student seeks to enroll in a course which has a prerequisite established to protect health and safety, and the student demonstrates that he or she does not pose a threat to himself or herself or others.
- 3. The student has the obligation to provide satisfactory evidence that the challenge should be upheld. However, where facts essential to the determination of whether the student's challenge should be upheld are or ought to be in the college's own records, then the college has the obligation to produce that information.

Students wishing to challenge prerequisites for any other reason should do so using the Student Due Process Procedures (check the catalog).
