

Application for Admission Experience:

I filed an Application for Admission (CCCApply) for GCCCD. Received an email that it would process within 2 days (see below), I didn't hear anything for four days so I emailed Grossmont Admissions and received a timely (few hours) email that my Application had been processed and provided me with my student ID number.

Email received after I filed application for admission:

Dear [REDACTED],

Congratulations! You have successfully completed the first step towards enrolling at Grossmont College. Your application will be processed within 24-48 hours (weekends and holidays excluded).

Once your application is processed, a VERY IMPORTANT email will be sent to your personal email account. This email will contain your Student ID number, WebAdvisor username, and all the steps needed to have a successful first semester at Grossmont College. Please be on the lookout for this email and read through all the information carefully.

The following items can be done while your application is being processed. If you are a returning student to Grossmont College, your WebAdvisor account is already active. Please visit

[Grossmont College Admissions](#) to learn how to retrieve your account information.

? If you have attended another college, have your official transcripts or documents sent to the [Admissions & Records office](#) at Grossmont College to [clear prerequisites](#), and to [award prior credit](#) for degrees and certificates.

? If you received a score of 3, 4, or 5 on any AP exams in high school, please have [College Board](#) send your test scores to the [Admissions & Records office](#).
