5	PRESIDENT’S REPORT
5.1	ASCCC Plenary College Council (Long Beach) Pearl, June Yang, Sharon Sampson & Dave Dillon attended the ASCCC Plenary in Long Beach. Pearl reported that she brought back one idea that she will be incorporating. When the agenda is sent out, a list of the senators will also be included. ASCCC voted on resolutions. These could lead to legislation to support the work you are doing on campus. The final packet of the approved resolutions was included as an attachment along with the agenda prior to this meeting. June, Sharon and Dave gave brief comments regarding the positive experience of attending.
5.2	SELF-SERVICE/WEB ADVISOR Dr. Neault went through the process to register for classes to see what students experience. She has provided a report. The consultant also went through the process of registration as an ESL student. The Chancellor’s goal is to have the process resolved prior to registration for next fall.
5.3	SENATE MEETINGS The next meeting is scheduled for November 29. It has been suggested that we cancel this meeting, as there is a meeting the following week as well, and the turn-around may be difficult for classified support. The senate officers are in agreement. After discussion it was suggested to have an unofficial meeting to discuss AB 928 in place of the November 29 meeting. VOTE: Move to Action: M/S – J. Calo/S. Sampson (53 – 2 – 0) VOTE: Cancel official meeting on November 29 and instead hold an unofficial meeting to discuss AB 928. M/S – J. Carmean/D. Aceves (43 – 2 – 4)

Those are the only accommodations being held in the testing center at this time. We anticipate going back to our standard practices in the spring, depending on advice from our supervisors.</p> <p>Counseling is being done outside of our offices. We are using the conference room for better distancing.</p> <p>On Zoom, the students are providing their own distraction-reduced environment. It was asked if this is an option that can be offered in the future if the student chooses so. It could be considered on a case-by-case basis.</p> <p>Students taking exams on Zoom has really worked out fine. Students with no computer access can take a test in the Library/Tech Mall while being monitored via Zoom by the ARC staff. That has also worked out well.</p>
