

Budget Committee Report for Academic Senate December 2021

The Budget Committee meets the second Thursday of each month 3:00-4:30 and more information can be found on [the Budget Committee webpage](#)

As part of the review of the Shared Governance Handbook underway this year, the budget committee is reviewing and revising our charge.

A revised draft of the budget committee charge (purpose, responsibilities and membership) has been completed and the committee will vote on the revision at our next meeting in February. This revision will be submitted to the Governance Review and Evaluation Committee on March 4 and will be available for review and discussion by constituency groups (ASGC, Academic Senate, Classified Senate and Administrators Association) during the month of April 2022.

Academic Senate representatives in Budget Committee are Sara Ferguson, Todd Myers and Patricia Chow. Please don't hesitate to contact us if you have any questions or comments.
