Student Information System (SIS) Upgrade—Faculty Rosters

SIS Upgrade Operational Team

March 21, 2022

Project Overview

Improve the Student Information System (SIS)

1. Move off WebAdvisor
2. Adopt full functionality of Colleague Self-Service and the Experience Portal

Our Why?

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

- SIS needs significant improvements in order to better serve the needs of **students**, faculty and staff and create a better end user experience
- Support for WebAdvisor will end June 30, 2022
- Provide clear, easy access to information real-time for **students**, faculty and staff
- Ensure compliance with applicable regulations
- Our **STUDENTS!!!!** –We must improve the registration experience for our **students**

Status of our progress!

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Why have we hit a wall???

- We NEED to update our Student Information System to continue our work BUT.....
- We can't do that without breaking our Custom Faculty Rosters in WebAdvisor
 - Faculty rosters are highly customized applications in WebAdvisor
 - It has been determined customization in Self-Service is not an option
 - Ellucian is not offering the training or tools to make customizations in Self-Service

Implementing with Faculty & Staff in Mind!

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

- Conducted demos with selected Faculty and Staff at both colleges
- Implemented changes based on Faculty and Staff feedback
- Developed a new Faculty Handbook with clear processes in Self-Service
- Committed to providing training and support for Faculty and Staff (*virtual and in-person*)
- Developed WebAdvisor to Self-Service Roster Implementation timeline-

Self-Service Roster Implementation Timeline

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

- Phase 1:
 - Go Live- April 20, 2022
 - 7 out of the 9 rosters will move to Self-Service
