Student Information System (SIS) Upgrade Status Update

Academic Senate
September 2022

Project Overview

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Improve the Student Information System (SIS)

1. Move off WebAdvisor
2. Adopt full functionality of Colleague Self-Service
3. Implement the Experience Portal
4. System Maintenance

Getting Off Web Advisor

For Students

- Accomplished - already available in Self Service
 - Class Schedule
 - Registration
- Remaining functionality to add to Self Service
 - Link to Financial Aid (SAM) System without the need to log in again
 - Link to Online Orientation
 - Link to My text Books

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Getting Off Web Advisor

For Students - Status

- Potential solutions identified and implementation strategy being worked out now
- If testing proves successful, this phase could be completed by mid-October
- If alternate solutions are required, this could delay the Go-Live date

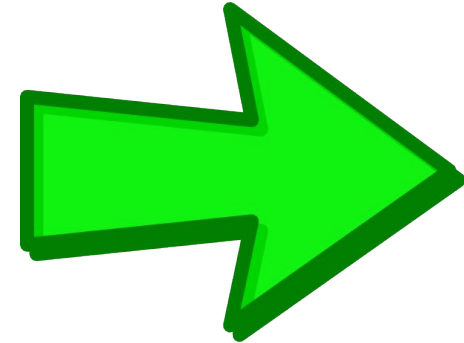

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Getting Off Web Advisor

Student - Go Live Roll Out Plan

- Create training materials and messaging
 - Update websites and emails
- Communicate change to Management, Faculty and Staff
- Send email notification to all active students and applicants
- Go Live on Self Service
- Turn off access to Web Advisor
- Target Completion: **December 2022**

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Getting Off Web Advisor

For Faculty

- Accomplished – already available in Self Service
 - Class Roster
 - Grade Roster
 - Permissions
 - Waitlist
- Remaining Rosters to add to Self Service
 - Attendance
 - Census
 - Drops

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Getting Off Web Advisor

For Faculty - Status

- Change to Attendance Roster business practice being implemented
- Solution for Drop Roster process in testing
- If new Attendance Roster and Drop Roster processes are successfully tested, this phase could be completed by mid-October
- If alternate solutions are required, this could delay the Go-Live date

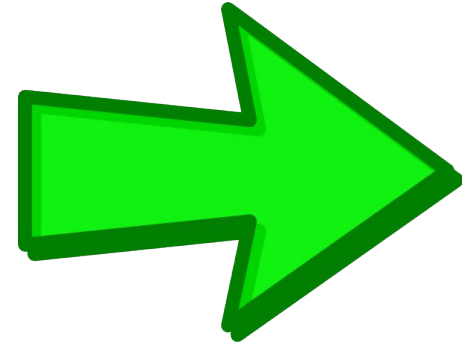

GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Getting Off Web Advisor

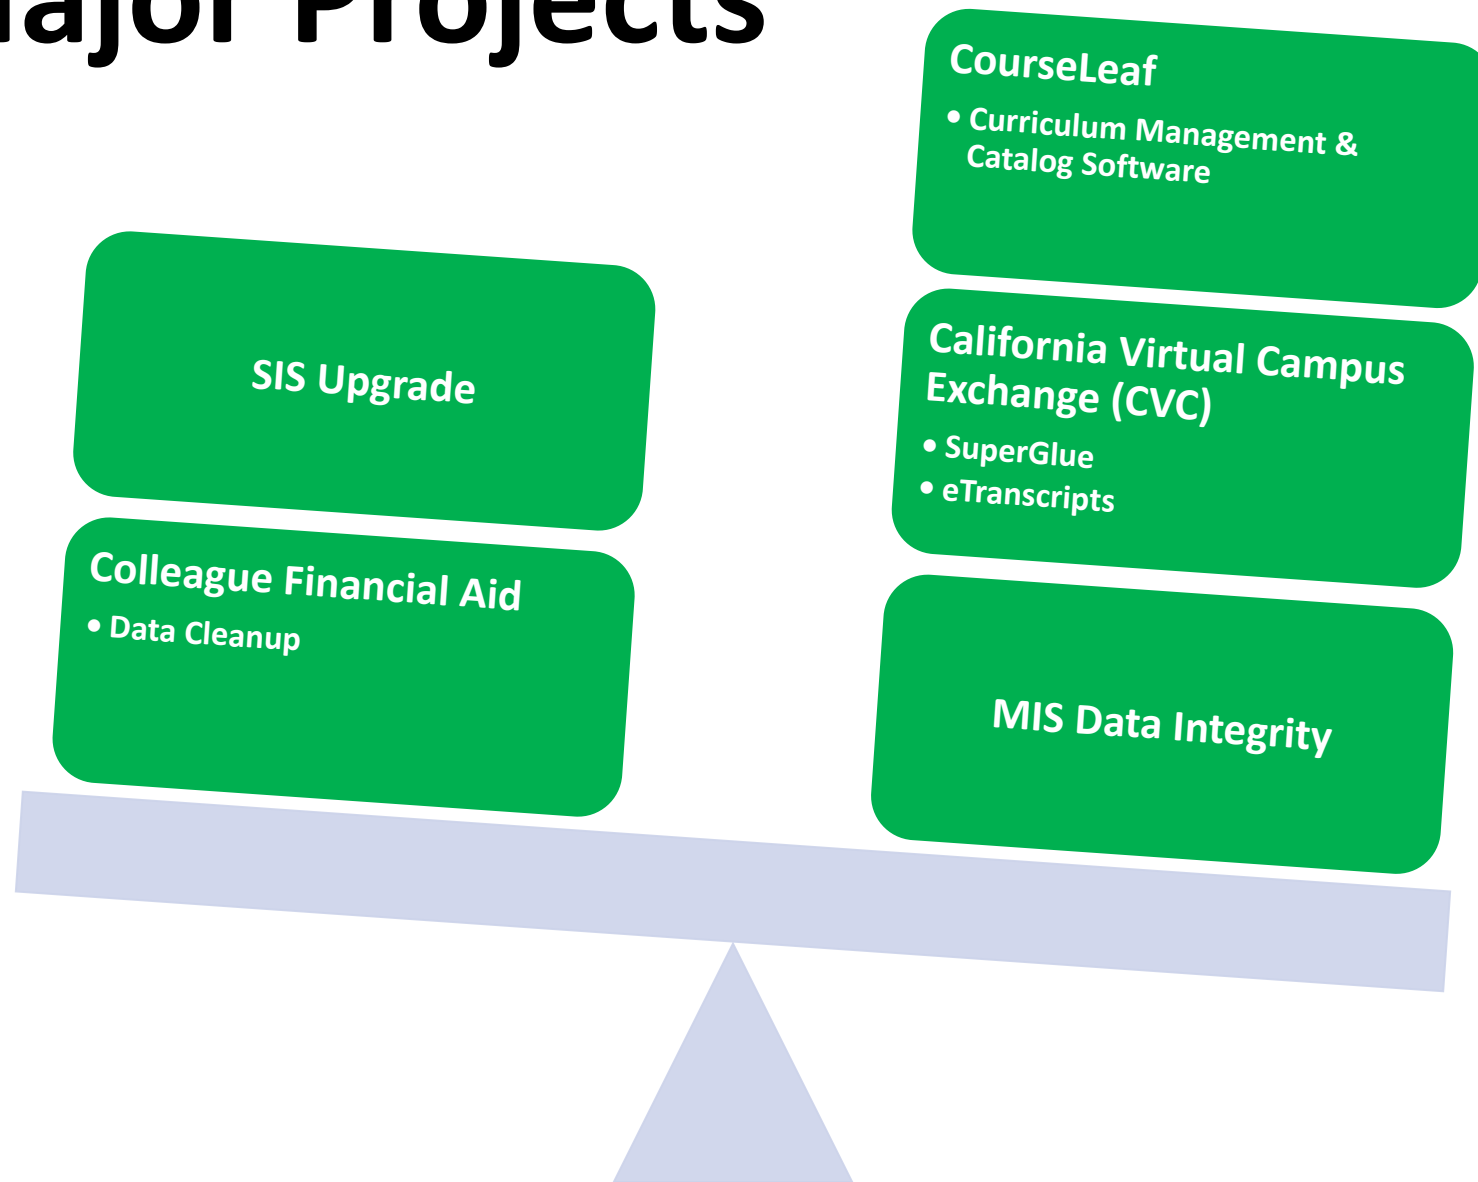

Faculty - Go Live Roll Out Plan

- Create training materials and messaging
 - Update websites and emails
- Communicate change to Faculty
- Provide Training to Faculty on new processes:
 - Positive Attendance
 - Census Rosters
 - Drop Rosters
- Go Live on Self Service
- Turn off access to Web Advisor
- Target Completion: **December 2022**

Major Projects

System Maintenance

Data Cleanup – underway now

Student Data identified to be cleaned up to support current and future projects:

- Academic Programs (TOP, CIP, Program Reqs) (for CourseLeaf and FA)
- Prerequisites (for CourseLeaf)
- External Transcript Data
- Student Codes (Student Type, Residency, Campus Org, Cohorts) (for FA)
- Residency Status (for FA)
- Institution (Other Colleges & High Schools) (for CourseLeaf)
- Name Hierarchy - standardize for all processes and integrations
- Address Hierarchy - standardize for all processes and integrations
- Email Hierarchy - standardize for all processes and integrations
- Book/Course Material - list all materials and fees (for MIS)
- Academic Standing Calculation cleanup (for FA)
- Loss of CCPG cleanup (for FA)
- Enrollment Priority Assignment
- Cohort Tracking - correct cohorts based on best practices
- Campus Organizations (Athletes, etc.)
- Nat. Student Clearinghouse Enrollment Submissions

Colleague Data Refresh:

- Data Compliance
- Customizations Minimized
- Business Process Changes
- Integrations
- Savelist, Query & Code Rewrite
- Move Database from Unidata to SQL
- ID Mgmt/Acct Provisioning
