Empowering Equity

The Office of Professional Development & The  
Office of Student Success & Equity Presents:

## The Grossmont College Equity Institute Equity Showcase

Monday, November 14th, 2022 3:00-4:00PM  
Griffin Gate

Theme: Celebrating & Sharing Our Equity Practices

You're invited to participate in our 1st Annual Equity Showcase! Presenters will have the opportunity to share with their colleagues strategies and tools for embedding equity practices into their day to day work at our college. Attendees will then be able to walk away with concrete examples for implementing equity practices they can adopt in their own work.

Presenters will submit a short proposal for their presentation, and speak to how their equity practices connect to one of the three equity speakers we have hosted over the Fall 2022 semester. We invite proposals from classified professionals, faculty, and administrative colleagues.

The deadline to submit is November 1st by 11:59PM. More details and the link to the proposal submission form can be found by clicking [here](#).

We hope to see you there!
