6	PRESIDENT'S REPORT				
6.1	Welcome				
6.2	Hyflex				
	• Email sent out by Dr. Fulbright asking faculty to consider teaching in a Hyflex				
<u> </u>	classroom. Faculty would like more information. Senate has had numerous				
6.3	meetings with OTLC (Dave Dillon & Dawn Heuft), Senate Officers, and				
	counterparts at Cuyamaca College. Vetting all information carefully to				
	determine faculty needs and student benefits. Will follow up with more				
	information.				
	Other				
	 FACCC Regional Meeting at Mesa College on Friday, May 6. Added flyer to attachments folder. 				
	• FACCC Presentation on Wednesday, May 4 with Wendy Brill-Wynkoop.				
	 Amapola Photo Exhibit fundraiser @ Cuyamaca College this Thursday, May 5. 				
	 Will be sending out requests for participatory governance. At least 7 				
	committees have members who are terming out and need to be replaced.				
	 60th Anniversary Celebration of Grossmont College in the Quad on Tuesday, May 				
	3 from 12pm – 2pm.				
7	SENATE OFFICERS' COMMITTEE REPORTS				
7.1	Vice President: Steve Davis – recommendations for the classroom. #1. Encourage those				
	close to passing to finish strong. Point out where they have a chance to make				
	improvements to pass. #2. Repeat the same for students who are on the border				
	between B/C and A/B. A nudge by the instructor can be motivating. Would help				
7.2	students feel noticed and not invisible. Also, conclusion of Black Student Success week				
	which had great webinars. Last week was Political Economy Week. Joe Braunwarth				
	presentation was great. ("The Political Foundations of Our Racial Caste System")

7.3	Officers at Large			
1.5	Officers at Large: June Yang: AAPI Heritage Month. Great activities. Squid Games on Wednesday. Flyer:			
	https://drive.google.com/file/d/1NjPr_GvlbXixqfX-dqAm3AKg8znBnM_x/view. Kudos to			
	committee.			
	Sharon Sampson – Equity Institute. Laura Rendon on Monday, May 9 @ 10:30 am.			
	Please keep an eye on your email to register.			
	Liz Barrow – Friday, May 6 is annual interdisciplinary day. Good for those interested in			
	bringing two departments together.			
	Part-Time Faculty Officer:			
	Richard Unis: Part-time faculty committee. Some faculty were asking who to contact if			
	there are facility concerns. Would like a contact. Part-time faculty have almost			
	unanimous support for compressed calendar.			
8	UNFINISHED BUSINESS			
8.1	OTLC – Peer Online Course Review (POCR) - Dave Dillon			
	Dave reiterated that if approved, POCR would be made available to faculty on a			
	voluntary basis. Request on how this would be implemented. Dave shared this could be			
	offered via professional development, but ultimately, it would be available for any faculty member who is interested.			
	VOTE : Move to action: $M/S - S$. Davis/S. Sampson (43 – 3 – 3)			
9	NEW BUSINESS			
9.1	Participatory Governance Committees:			
9.2	Academic Senate Committees:			
10	Special Reports			
10.1	Guided Pathways – Cindi Harris, Gary Johnson & Michael McHan			
	Public Comment on Guided Pathways – June Yang – Thanked Guided Pathways for their hard			
	work. Shared concerns from the State regarding Guided Pathways and its focus on transfer pathways. Lifelong learning is important along with transfer and workforce development. Would			
	like to see a focus on undeclared majors. Understands potential impact regarding financial aid			
	but hopes to see more attention in addition to lifelong learners.			
	Cindi Harris – Thanked June and provided some history regarding her involvement with Guided			
	Pathways. Many students apply to the college but don't enroll. Persistence and retention rates			
	have been low even prior to pandemic. 85% of students who apply claim to be at the college to			
	get a degree and transfer. Curious about concerns from the state. Important to focus on providing students the right support when they enroll at our college. An important piece is our			
	website. Shared pilot website, which included career exploration and business program as an			
	example. Bonnie gave kudos to the committee and shared that she was involved with Guided			
	Pathways from the beginning and it's a lot of work. English learners and lifelong learning will be			
	included, but it is important to focus first on the 85% of students who want to get a degree or			
	transfer.			
	Resolution on Compressed Calendar – Lara Braff & Richard Unis			
10.2	Lara shared a presentation on calendar alignment resolution developed by herself, Richard Unis			
	and Raquel Jacob-Almeida from Cuyamaca College. Shared information advocating for support of			
	a compressed calendar. Reminded everyone that Grossmont College voted in support of			
	compressed calendar five years ago, but Cuyamaca did not. More support is being expressed			
	now. If the resolution is approved, the union will negotiate a calendar with our administration. Concern expressed with trusting administration to create a calendar that faculty will support.			
	Reminder that union will negotiate. Another faculty member reminded that there is an issue of			
	student equity because it is costing them more money to be in school more weeks. Another			
1				

faculty member from Art shared that they also have lab classes and that long semester cause confusion for students, so the Art faculty member supports compressed calendar. (Presentation and Resolution in attachments)10.3BP/AP 3050 & 3060: Institutional Code of Ethics – Natalie Ray & Joan Ahrens Provided background on review process and decision to combine two policies into one. Has been reviewed and revised by a Districtwide committee and would like vote approval from Senate before moving to District for final approval. Reviewed edits to policy. Changed some of the punitive and negative tone in the language. Resolution on Masks & Vaccinations – Bonnie Ripley Public comment on Resolution on Masks & Vaccinations – Steve Davis on behalf of Denise Schulmeyer. Request to pay close attention to resolution and potential impact on colleagues. Unaccommodated exemptions will be re-evaluated in the next few weeks. Request to take information back to departments and discuss thoroughly prior to voting at the next Senate meeting. Bonnie Ripley – Fear expressed from colleagues in department that District would rescind mask and vaccine mandate during the summer when faculty are out. Support ongoing mask and vaccine mandate, but request that unvaccinated employees be allowed to work from home and not be pushed out of their job. A faculty member encouraged those interested in supporting to speak at the next Governing Board meeting at Cuyamaca.11.0Next meeting: May 16, 202212.0Adjournment: WOTE: Motion to adjourn: M/S - A.
