

2023

COMPRESSED CALENDAR

30 January 2023

GROSSMONT
COLLEGE

Dr. Marshall T. Fulbright III, VP of Academic Affairs

The Instructional Implications

- Classroom Time
 - Semester Impact/s
 - Professional Development (Flex)
-

Instructional Time/Hours

- Teaching hours will remain relatively the same
 - Individual class times will increase while the number of meetings decreases
 - Class blocks were established to ensure student focused schedules and to eliminate conflicts
 - Final exam week will be eliminated
-

Semester Impact(s)

- 16-weeks more closely aligns with other institutions
 - Supports students concurrently enrolled at other institutions
 - Provides greater holiday schedule alignment with other local schools
-

Professional Development (Flex)

- Definitely a working condition – requires further discussion
 - Elimination of Flex week
 - How will flex time (hours) be met?
-

Notifications and Timeline

- Introduction/Overview to the Campus Community (all employees and students) (February)
- Student Notification of 16-week and early registration (February/March)
- **INFORMATION CAMPAIGN!!!**

Questions ...

- How do we make this transition work for everyone?
