

# Public Safety Taskforce at GCCCD

Brief Report

# Brief Analysis and Concerns

- Unclear objective for this taskforce
- Missing analysis on how allocation of funds are impacting other areas of need (e.g. restorative justice programs, Positive Behavioral Interventions and Support, funding mental health awareness, mental health counselors and support staff and services, social workers, among others).
- Missing analysis on underfunded programs such as Dream Centers, Justice Scholars, among others.
- Colorblind survey
- No discussion on race and policing; armed police on campus

# For Consideration

- Aimee Gallagher, Vice Chancellor Human Resources, and Craig Leadham, Associate Vice Chancellor, discussed the purchase and installation of surveillance cameras on Grossmont campus to be used for asset protection and safety concerns.
- **A quick review of the Clery Act Crime statistics reports provided by our District (from 2017-2021) indicates no significant statistical crime increase to justify this expense.**
