

POCR Update

Grossmont Senate: February 6, 2023

Dave Dillon, Grossmont Online Education Coordinator

Agenda

- Intersections with CVC Course Exchange
- POCR Lead
- POCR Training

Clarification on Home College / Teaching College

We are a home college as of 1/31/23.

Students at Grossmont may take courses through the CVC Course Exchange at other CCC Teaching Colleges.

We are scheduled to become a Teaching College in July, '24.

Students at other CCCs may begin to enroll in online courses Grossmont offers through the CVC Course Exchange in July of 2024

What is POCR?

- Established in 2014 by California Virtual Campus (CVC)
- Voluntary
- Involves faculty working in peer groups to review their courses, offer feedback, and make course revisions
- Reviewers evaluate their peers' courses in small groups using the [CVC Course Design rubric](#) (44 in total)
 - *Course Design*
 - *Interaction*
 - *Assessment*
 - *Accessibility*

Instructors who align their course with the rubric criteria earn a Quality Review Badge

How?

Goals:

1. GC Senate endorsement of POCR
2. Incorporate the [Peralta Online Equity Rubric](#) into the review process to increase equity in our online courses
3. Establish a POCR Lead
4. Create POCR Review Team ([60 hour POCR training course for individual certification](#))
5. Identify three courses to review
6. When three courses are locally reviewed and “aligned,” courses are sent to state for approval. When approved, GC would then have a local POCR certified campus
7. Review, approve, and badge additional courses
