We would like to recruit a Participatory Governance (PG) Task Force to look at our current PG communication plan and revise as necessary. <ol style="list-style-type: none"> a. We would also like this task force to then work on a PG training for Classified. I would love to create a handbook for those new to participatory governance and perhaps destigmatize the entire process. b. Chairs need training, Committees need to report back to constituency groups better. Committees need to communicate across committees. Committees need to facilitate student participation. And, there needs to be report outs from the College Council and the President regarding decision outcomes from recommendations. c. We think a mix of seasoned and new Classified Professionals would work well; perhaps a group of 6-8? 2. First CLASSOC meeting: Academic Senate Eboard and Classified Senate Eboard. share frustration with lack of movement in State Classified PD Funds that have been sitting for 5 years. A.S. will champion our cause for this issue. 3. We would like to get a Fundraising committee seated so we can move forward with planning the upcoming year. 4. NANCE Hire Forms no longer require Presidential approval.
