    b. Tech Review Approvals
       i. SLOs
- MATH 020, 060, 075, 076, 078

      <u>Comments:</u>
- Kalker: SLO changes have been dropped in the folder as information items

4. **Chair Report**
- AB 928 -ASCCC Recordings
  a. Webinars have been offered. Aceves dropped the presentation into the folder for information. More information will be made available soon.
- AB 928 website
  a. Website linked shared with committee to look at presentations and listen to recordings.
- CAT update
  a. Catalog software will allow articulation information to be displayed at the bottom of the course description. This will enhance student experience, especially in self-service. Currently, CID is listed in front of the catalog. The list will also be integrated into the course description.
- AP 4100/P-NP
  a. Associate degree requirement policy. There is language from Title V about Pass/No Pass (P/NP) options. Program modifications have included language about Grade C or Higher needed. Title V allows for P/NP to be used for a degree completion. Tech reviews from both campuses will meet soon to discuss integration.
- Curriculum Calendar

      a. Final revisions are being made and the calendar should be available this week. There are about 208 proposals in total. Curriculum Meetings will run through February.

- October Board Packet
  a. Board packet includes all changes/adjustments from September committee meetings and other corrections from previous semesters.
- Other
  a. Pearl Lopez sent out an invitation for a meeting to hear about legislative updates

5. **Information/Other Items:** The committee will review as many items as is reasonable and will not exceed the regular meeting time. Remaining items will be rolled over to the next meeting.

Meeting ended at 2:24pm
