# Welcome to Grossmont College!

## A message from the president

Dear Grossmont College student,

Welcome to the spring semester at Grossmont College.

For some of you, you are entering your last semester at Grossmont College. For many of you, this is just the beginning. As you look through this semester’s class schedule, you’ll find our commitment to academic excellence. Our academic and career pathways launch students to transfer to the country’s top universities and train our region for high-paying jobs.

I encourage you to take some time this semester to meet with a counselor. It is imperative that you have a student education plan to chart your success here at Grossmont College. Visit the Transfer Center in Building 10 to find all the amazing resources available to you. There, you’ll get the help you need to transfer to a California State University, University of California, or private and out-of-state universities.

We are here to help you succeed in and out of the classroom. Visit the Griffin Center for information on basic needs, including Gizmo’s Kitchen and our new health and wellness vending

machine. Our Math and Science Center serves hundreds of students each semester in math and science subjects. The Village is a space to find your community including programs such as Puente, Umoja and Success Coaches.

Our Athletics are thriving. Our top programs this spring include the state championship Beach Volleyball team. Plus, the return our softball team returns for their second year after a small break. I encourage you to learn more about our athletics programs and attend a game to cheer on the Griffins.

Grossmont College is your college, and I know you will find the community you need to thrive, the resources you need to succeed, and a program that will create a pathway to an incredible future.

Have a wonderful spring semester and I look forward to seeing so many of you around campus.

Go Griffins!

Denise Whisenhunt, J.D.  
President, Grossmont College

## Face-to-Face (F2F)

Face-to-face (F2F) course activity occurs at Grossmont College's campus or a designated physical site. The course meetings occur at scheduled days and times. Instructors may use a curriculum management system (Canvas) or other software to enhance the class (i.e. posting the syllabus or hosting a discussion board) outside of the on-campus meetings.

[grossmont.edu/face-to-face](https://grossmont.edu/face-to-face)

- **"Location" in class schedule lists building / room number**
- **Refer to the "How To Read Course Offerings" for guidance**

## Fully Online (FO) / Distance Education (DE)

Fully Online/Distance Education course activity occurs online and there are no required real-time or on-campus meetings. All content is delivered in a course management system (Canvas). Coursework has due dates as set by the instructor, yet can be completed at any time before the due date according to an individual student's schedule. Quizzes or tests may have a shortened period (usually a week's time) during which students will need to complete them. [grossmont.edu/online](https://grossmont.edu/online)

- **Marked "WEB" in the schedule for the location**
- **Asynchronous: Does not meet on specific days and times**
- **Synchronous: Meets on specific days and times**

## Partially Online (PO) / Hybrid (HYD)

Partially Online/Hybrid course activity occurs both online and face-to-face (F2F) on-campus. Both the online and on-campus portions are required. The on-campus meetings occur on scheduled days and times. All online content is delivered in a course management system (Canvas) and via online meetings (Zoom). [grossmont.edu/hybrid](https://grossmont.edu/hybrid)

- **Includes both F2F on specific days/times and "WEB" portions**
- **Read the course section details carefully**

## HyFlex

A HyFlex class section is taught on the same days and times, both on-campus and online. The instructor teaches this class section on campus while also engaging with students online. Students will have the flexibility to choose to either attend class in-person/on-campus or attend online via ZOOM. Some HyFlex sections may require in person class attendance for specific dates as listed in the schedule of classes. [grossmont.edu/hyflex](https://grossmont.edu/hyflex)

## REGISTRATION:

You will receive an email with your registration date and time. You will register online using self-service: <https://selfservice.gcccd.edu/student>

- Tip: Search the online class schedule and check for course prerequisites to make sure you are cleared ahead of time.
- Time conflicts are not allowed! You may not register for any section that meets on the same day and at the same time as another section you have selected.
- You may not enroll in two sections of the same subject.
- The maximum number of units you may enroll in is eighteen (18). To add additional units, you must contact counseling for an overload card. This card will be submitted by the Counseling Department to the Admissions and Records Office.

### WAITLIST PROCESS

Wait lists for all classes begin the instant that classes close due to full enrollment. You cannot be added to a wait list IF:

- It is prior to student registration appointment
- You are already enrolled, or on a wait list, in another section of the same class
- The wait list is full
- The class has started

Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are automatically added to the class in which they are wait-listed.

You will not be added to a class IF:

- The class will cause a time conflict with another class on your schedule
- The class will cause you to go over the maximum number of units allowed
- Another section of the same course is already on your schedule
- You have a HOLD which prohibits registration

The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the student email address on record. It is the student's responsibility to update all of their contact information in the Admissions and Records Office. To check and keep your information current, please use the Update Personal Information link under User Account on the Self-Service Student Menu. For students that were not registered from the wait list: (1) on the first day of class, instructors will determine the number of open seats; (2) spaces may be offered to students in the order their names were added to the wait list; (3) if a space is offered to a student, the instructor will give the student an Add authorization via Self-Service. Students are responsible for all fees generated from added classes; includes all forms of adds via web, moved from wait list, or by an add card. Students are responsible for monitoring their schedule and fees using Self-Service.

## DROP/WITHDRAWAL

Withdrawal from a class shall be authorized through 75% of the semester. Students may drop classes through Self-Service. It is the student's responsibility to officially drop a class. Failure to withdraw/drop a class by the dates posted in the class schedule or webpage will result in failing (F) grade. If you need to drop a course, please refer to the class schedule or the Academic Calendar for important drop deadlines.

Please note drops/withdrawals may incur a repayment of financial aid funds. This is because Federal Title IV financial aid funds are awarded under the assumption that a student will remain in attendance for the entire semester and complete all classes for which Title IV funds or loans were awarded. For detailed Return to Title IV (R2T4) policy information please visit the [financial aid website](https://www.grossmont.edu/financial-aid/how-to-pay-for-college/withdrawals-and-repayment-funds.php) at <https://www.grossmont.edu/financial-aid/how-to-pay-for-college/withdrawals-and-repayment-funds.php>

## PUBLIC SAFETY

### Police Services

District police services are provided by the San Diego County Sheriff's Department. Deputies are assigned to the Grossmont and Cuyamaca college campuses. If necessary, the District also has access to Sheriff's Department specialized units that investigate crimes such as illegal drug sales, domestic violence, auto theft or gang-related crime. In addition, a team of Campus and Parking Services (CAPS) specialists provides services such as automobile assistance, lost & found, and safety escorts. CAPS also enforces parking regulations on campus. The Public Safety/CAPS Office is located in the Grossmont College parking structure, Room 57-100.

### Public Safety Contact Information

Additional Public Safety information is available on the district website <https://www.gcccd.edu/public-safety/>

## CAMPUS PARKING AND SERVICES (CAPS)

### Parking & Traffic Regulations

All vehicles must display a valid college parking permit while parked on campus property. The responsibility of finding a legal parking space, as well as knowing where and when a parking permit is valid, rests with the vehicle operator. The purchase of a parking permit does not guarantee a space to park. For the safety of the college community, all California Vehicle Codes are enforced. All community members (students, staff, faculty and visitors) are primarily responsible for their own safety and property. For further information, contact Campus and Parking Services at (619) 644-7654 or visit our website <https://www.gcccd.edu/public-safety/campus-services.php>

### Displaying Parking Permits on Campus

The Parking Permit must be displayed so that the color and expiration date is clearly visible. The Parking Permits are only valid when properly displayed:

1. Affixed to the front windshield either side, inside the lower corner.
2. Vehicles with dark tint on the windows must completely affix the permit to an area without tint.

### Purchasing Student Parking Permits

Student parking permits are purchased online, through Self-service. You may pay by credit card online.

**Refunds for parking permits**—A refund request must be made within 2 weeks of the semester start. Email [District.Parking@gcccd.edu](mailto:District.Parking@gcccd.edu) for a request.

### Disabled Place cards

All students displaying a valid and current disabled placard are not required to display a GCCCD parking permit. Placard misuse will be heavily enforced and a CAPS specialist may ask to see your placard and registration at any time. Please be prepared to show proof of ownership when requested by a Parking Services Specialist.

### Parking Citations

Parking citations vary between \$45 to \$500 per violation and can be paid or appealed online by visiting [www.paymycite.com/gcccd](http://www.paymycite.com/gcccd).

If the citation is not paid within 21 days, the fine will increase by \$75. After 45 days, the citation will be reported to the state Department of Motor Vehicles, which will not renew your registration until the fine is paid. All disputed fines are individually reviewed by a non-biased representative in the Campus and Parking Services office. You will be notified of the outcome of your appeal for a parking citation.

To find out more about the citation appeals process or installment payment options, visit our website <https://www.gcccd.edu/public-safety/campus-services.php>.
