Planning & Institutional Effectiveness Committee
Norms

Updated at 09/18/2020 PIEC meeting

In participatory government, a high level of collegiality, respect, and civility is expected. Those expectations include the following:

- Thumb up- all the way in; Thumb middle- can live with it; Thumb down-want to keep talking about additional solutions.
- Quick check (weather check-in at the beginning of the meeting. This would help us calibrate our body language with one another.
- Raise hand to let folks know you are going to speak. Be respectful of others who may have raised their hand before you.
- Everybody's voice is equal, important and valuable.
- If there are times when we feel unsafe. Find ways to recalibrate and move forward in a gentle way.
- Use a parking lot.
- If a proxy is requested make sure the proxy is briefed prior to the meeting.
- Operate under the assumption that everyone is speaking with a positive intent.
- Be solution focused when you don't understand where someone is coming from.
- Periodically check in on our norms and adjust them.
- Conversations in the Chat should be discussed (added at 09/18/2020 meeting).
